GOODBYE

I would like to say goodbye to everyone via my final newsletter before I leave St Mary MacKillop and commence my principalship in 2017 at Our Lady of the Rosary, St Marys.

As we come to the end of the 2016 school year we can look back with gratitude on the many blessings we have enjoyed this year. There have been many opportunities to pray, celebrate and learn together.

I wish to thank Fr Mathew & Fr Joe for their tremendous support, guidance, pastoral leadership and encouragement throughout 2016. I would like to thank you, our families, for your involvement, support and encouragement throughout this year in so many different ways. I thank all the St Mary MacKillop staff most sincerely for their committed and enthusiasm, their creativity and compassion, and also their great learning throughout 2016! And perhaps most importantly I would like to congratulate the children on their learning and efforts throughout this year in so many different ways – growing in faith and knowledge through Religious Education, numeracy, reading and writing, sport, creative arts, leadership, friendships, social skills development and so much more!

To those children, families and staff moving on to new communities next year, our very best wishes to you for the journey ahead. A final fond farewell to staff who are moving on next year: **Mr Steve Cauchi, Mrs Julie Brigden, Ms Connie Mulders, Mrs Ros Wheaton, Miss Sarah Chircop, Mr Meinardo Benitez & Mr Jordan Greenhaigh.** May God bless you and keep you safe today and always.

CHRISTMAS TRADITIONS

One of the most popular activities of the Advent and Christmas seasons is the singing of carols. We have “Carols by Candlelight”, “Carols in the Park”, “Carols in the classrooms” and all express happiness and joy. However, not all carols were composed in happy or joyful circumstances and the “Twelve Days of Christmas” was one such carol. When Henry VIII had his falling out with Pope Clement VII, he set about to dismantle the Catholic Church and to establish the Church of England. Catholics were not permitted to practise their faith openly or even in private; if they were caught, the consequences were severe: heavy fines, imprisonment, even death.

So, Catholics devised a “coded” carol as an instruction tool for their children. It was called the “Twelve Days of Christmas” and its images covered the essentials of their Catholic Faith. The “true love” is God; the “me” is every baptised person; the “partridge in a pear tree” is Jesus and his cross; the “two turtle doves” are the New and Old Testaments; the “three French hens” are faith, hope and charity; the “four birds” are the four Gospels; the “five golden rings” are the Pentateuch which were the first five books of the Hebrew Scripture that contained the “law” or teaching and instructions; the “six geese-a-laying” are the six days of creation; the “seven swans” the Gifts of the Holy Spirit; the “eight maids” the Beatitudes; the “nine ladies dancing” the fruits of the Holy Spirit; the “ten lords” the ten commandments; the “eleven pipers” the eleven faithful Apostles; the “twelve drummers” the twelve articles of faith in the Apostles Creed.

Another popular Christmas Activity is to erect the Christmas tree and clothe it with “robes” of decoration. Most probably, the Christmas tree had its origin through a combination of two medieval religious symbols: the Paradise Tree and the Christmas Candle. Around about 1000 A.D. Advent Plays told the stories of creation and the fall of Adam and Eve. Usually, the plays ended with a promise of the coming of a Saviour. The Garden of Eden was depicted by a fir tree with apples hanging on it; it was called the Paradise Tree. The custom moved from being outside plays to being in-home celebrations, where Christians would hang apples and other meaningful items on the tree, including small candles to remind them of God’s gift to them of Christ the Saviour, the “light of the world”. The Christmas Candle was lit on Christmas Eve to symbolise Christ the light of the world; the candle remained lit for the entire Christmas period.

The third most popular Christmas activity is the setting out of the crib, which is an attempt to reconstruct the stable and manger environment in which Christ was born. The crib, as we know it, dates from St Frances of Assisi who, on Christmas Eve 1223, celebrated the stable scene with a sermon about the humble surrounds into which Jesus was born in the very humble town of Bethlehem.

All these real activities and symbols of Christmas are there to help us to celebrate the real meaning of Christmas: the birth of Jesus, God's Son. It is somewhat of a forlorn wish that peace will be in our home during the Christmas period, as peace runs the great risk of being overrun by feverish activity, which could mean that all the "superficials" are well attended to, while stress levels are given a "boost" and home budgets given a "bust".

Christmas should be a time of great celebration but within an atmosphere of peace and joy. "I bring to you good news of great joy, for to you is born this day a saviour who is Christ the Lord."

Luke 2:10,11

St Vincent de Paul Christmas Hampers – Social Justice Activity

Thankyou!

Our last Social Justice Initiative for 2016 has been a huge success! On Thursday 8th December, the St Mary MacKillop community presented Mr Joe Tabone, a representative from the St Vincent de Paul Society, with 75 bags of grocery items. Mr Tabone, on behalf of the St Vincent de Paul Society expressed his sincere thanks to all the children and their families and was overwhelmed with our generosity. These items have now been used to make Christmas Hampers for the needy within our community. I would also like to extend my appreciation for the outpouring of support to this important appeal. We have certainly made this Christmas Season special for many local people in need.

St Nicholas of Myra Catholic Parish

Sacramental Program First Reconciliation 2017

Preparation for the Sacrament of First Reconciliation at St Nicholas of Myra Parish will be in Term 1 next year.

*To be eligible for First Reconciliation, **children must be in year 3 or above and must be baptised.***

Parents wishing to enrol their children in the program must attend an information meeting, which will be at St Nicholas of Myra Church on

Tuesday 28th February 2017 at 7.00pm.

Further information regarding the program will be given at this meeting.

If your child has not been baptised, and you wish to enrol them in the program, please contact our Sacramental Coordinator, Colleen Nicholas.

As the year draws to a close and the Christmas Season is fast approaching I offer the following reflections:

Life Is An Advent Season **CONNECTIONS, 11-28-93**

"Life is a constant Advent season: we are continually waiting to become, to discover, to complete, to fulfill. Hope, struggle, fear, expectation and fulfillment are all part of our Advent experience.

The world is not as just, not as loving, not as whole as we know it can and should be. But the coming of Christ and his presence among us—as one of us—give us reason to live in hope: that light will shatter the darkness, that we can be liberated from our fears and prejudices, that we are never alone or abandoned.

May this Advent season be a time for bringing hope, transformation and fulfillment into the Advent of our lives."

Christmas Affirmation

I BELIEVE that Christmas is more than a time for parties and ornaments; it is a time for

remembering Christ and the incarnation of God's love in human flesh.

I BELIEVE there are gifts more important than the ones under the Christmas tree, the things we teach our children, the way we share ourselves with friends, and the industry with which we set about reshaping the world in our time.

I BELIEVE that the finest carols are often sung by the poorest voices; from hearts made warm by the wonder of the season.

I BELIEVE in the angel's message that we should not be afraid—that the Child of Bethlehem is able to overcome all anxieties and insecurities.

I BELIEVE in prayer and quietness as a way of appropriating Christmas—that if I wait in silence I will experience the presence of the one born in the manger, for he lives today as surely as he lived then.

I BELIEVE in going away from Christmas as the wise men went: "another way." I want to be different when these days are past—more centered, more thoughtful, more caring.

AND I BELIEVE God will help me.

Amen

May the joy of the Christmas Season be with you and I wish everyone a happy and holy Christmas.

News from Mr Cauchi

With a heavy heart I would like to bid farewell to all the wonderful families, parents and students whom I have had the great pleasure of working with over my 7 years at St Mary MacKillop. I will leave with fond memories of this very special community and take with me a piece of each of you. Thank you to the many families who have passed on their well wishes and gratitude over the past few weeks. My job has made a lot easier working with a very dedicated and caring staff. The teachers at St Mary MacKillop are not only exceptional educators, they are also genuine in their care and concern for the children. I can not thank them enough for everything they do for our students. The staff, parents, wider community and students, both past and present will forever hold a special place in my heart.

Sports News

The Parramatta CEDP Sports Awards were held last Wednesday 7th December at St Aidan's Primary School. To be invited to attend the night, any student aged 8-12 from the Parramatta Diocese must have qualified for at least one MacKillop team and one NSW State team. Out of the 1600 plus students in our diocese in that age bracket, only 29 students were eligible. All 29 were recognised with a medal and certificate, presented to them by Australian Netballer Paige Hadley.

Following this presentation, Margaret Thornton then awarded 5 prestigious awards for things like Excellence in Sport with Disability, Courage in Sport, Determination in Sport and finally, the Sporting Excellence Award for 2016.

It was with enormous pride that we watched the Sporting Excellence Award for 2016 be awarded to our very own, Uaale Elisara of Year 6. This is an enormous achievement and the first time this highly esteemed award has been given to a St Mary MacKillop student. We congratulate Uaale again, for the many achievements he made this year in Athletics and Rugby Union. We thank him for being the mature, humble, determined role model he has been at MacKillop and wish him all the best for the future. We look forward to following your journey, Uaale, and know you will do great things!

On the weekend I went to the central coast to compete in a touch football gala day. I was selected to play for Penrith and we had to verse Orange and Manly and some other areas too. We played 5 games on Sunday and we won them all. We made it to the final and we had to play Orange. The score was 3-2 and Penrith won! I had lots of fun and am looking forward to more gala days in January.

Library News

We have certainly had a busy year in the Saint Mary Mackillop library in 2016.

Over 180 students completed the Premier's Reading Challenge, congratulations to the recipients of the Gold and Platinum awards for consecutive years of participation.

We had a very successful Book Fair, once again enabling us to purchase many resources for our teaching and learning.

The library is always a popular place to be at lunch times for a range of activities enjoyed by students from Kinder to Year 6, or to catch up on some research in History, Science and Geography.

Our beautiful new books have been available to students to borrow throughout the year, and for their learning, our History and Geography resources which have been so very generously covered by Mrs Betty Gillard, Mrs Nellie Ellis and Mrs Liz Whalen.

Without the support and generosity of these ladies, our books would not have been available for our students so quickly, so a HUGE thank you to these wonderful ladies on behalf of the St Mary Mackillop community for your time and support.

We look forward to another year with much happening in the library, keep reading in the break and a Happy Christmas to one and all.

Dear parents and carers

Please find below the 2017 Diocesan school fees schedule which includes a modest 3.0% increase on the fees from 2016. Every effort has been made to keep the fee increase to a minimum and I am pleased to report that the increase is *less than* the 3.3% education CPI increase for the same period.

In order for your child to attend the nominated trial or event this may come down to the discretion of your school as to who is selected to attend the trial. In some sports only 2 students per school can be nominated. **Please complete all fields and especially "Representative Experience"**.

Please ensure that the **SUBMIT** button has been pressed upon completing the form and notification email will be sent to the parent/guardian listed on the form confirming this expression of interest has been received.

Your child's school will notify you one week prior to the trial date if your child is to attend to the Parramatta Diocesan trial for their selected sport by providing a trial information sheet.
