St Vincent de Paul Christmas Hampers Social Justice Activity: Thankyou!

Our last Social Justice Initiative for 2019 has been a huge success! On Wednesday 11th December, the St Mary MacKillop community presented Mr Joe Tabone, a representative from the St Vincent de Paul Society, with 103 bags of grocery items. Mr Tabone, on behalf of the St Vincent de Paul Society, expressed his sincere thanks to all the children and their families and was overwhelmed with our generosity. These items have now been used to make Christmas Hampers for the needy within our community. I would also like to extend my appreciation for the outpouring of support to this important appeal. We have certainly made this Christmas Season special for many local people in need.

St Vincent de Paul Social Awareness Award

At the end of the year the St Vincent de Paul Society likes to acknowledge school students who show an awareness of Social Justice in their community.

Put simply, an awareness of Social Justice is about understanding that all people should have the same rights and opportunities; and that resources should be shared fairly so that all people feel safe and secure.

This year we had two recipients of the St Vincent de Paul Social Awareness Award:

Amalia S (3H) and Emily V (4J)

Both Amalia and Emily decided to cut their beautiful long hair to support "Hair with Heart." This charity supports children who are sick, disadvantaged or who have special needs by using human hair to make wigs for people who have lost their hair due to a medical condition.

Both Amalia and Emily wanted to make a difference to the lives of families and children in need. Amalia had 36cm of her lovely hair cut off and raised \$1 690 and Emily cut off 52cm of her golden tresses and raised over \$5 755.27.

A part of being Catholic is our call to Mission. Jesus asks us to 'love our neighbour'. Amalia and Emily demonstrated this by reaching out to others in need. They put their faith into action.

On Friday 13th December, Mr Joe Tabone presented Amalia and Emily with a certificate and gift to acknowledge their service to others. On behalf of the entire St Mary MacKillop community, we congratulate Amalia and Emily.

Christmas Affirmation

I BELIEVE that Christmas is more than a time for parties and ornaments; it is a time for remembering Christ and the incarnation of God's love in human flesh.

I BELIEVE there are gifts more important than the ones under the Christmas tree, the things we teach our children, the way we share ourselves with friends, and the industry with which we set about reshaping the world in our time.

I BELIEVE that the finest carols are often sung by the poorest voices; from hearts made warm by the wonder of the season.

I BELIEVE in the angel's message that we should not be afraid—that the Child of Bethlehem is able to overcome all anxieties and insecurities.

I BELIEVE in prayer and quietness as a way of appropriating Christmas—that if I wait in silence I will experience the presence of the one born in the manger, for he lives today as surely as he lived then.

I BELIEVE in going away from Christmas as the wise men went: "another way." I want to be different when these days are past—more centred, more thoughtful, more caring.

AND I BELIEVE God will help me. Amen

May the joy of the Christmas Season be with you and I wish everyone a happy and holy Christmas.

Mathematics Assessment Interviews—2020

Next year, St Mary MacKillop will be trialling a new way to conduct our Mathematics Interviews. These interviews help the teachers gain a better understanding of your child's mathematical skills and reasoning and form the basis for Numeracy planning for the year.

Traditionally, we have held these on the first two days of the school year. Students were scheduled in for a 30min time slot. Any student that wasn't tested in the first two days was scheduled in either before or after school.

In 2020, there will be a significant change. Students in years 1-6 will all start school on the 28th of January (Wednesday). From Wednesday to Friday, each grade will have extra teaching staff assigned. During these three days, Maths interviews will be run throughout the day. While the testing is being carried out, lessons will continue to run for the students.

This will mean that booking in interview times is no longer necessary and all students in Years 1-6 will begin school on Wednesday, 28th January.

Kindergarten will begin for all students on Thursday 29th January. Some parents may receive a phone call from the Office to request an MAI interview time for their child on Wednesday. The Kindergarten team will run scheduled interviews Wednesday only.

Children who are successful at being selected in the Mackillop team will compete at the NSWPSA Championships. These championships involve three or four days of competition at various locations in NSW. Children selected in these teams may also be required to attend training sessions.
